**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use a competitive ISP in my neighborhood, Sonic.

I love the choice of more than one. It encourages the major companies to stay on top of their game.

It also allows me to find internet service at a price that I demand.

Broadband is critical to my work as a social media and communications professional.

Please keep broadband and other telecommunications providers diverse and encourage competition.
